To be considered for the income based tuition fee schedule program, a copy of your most recent signed Federal Income Tax Return and this form must be completed and submitted to ECDC-ND by May 1 for the summer program and June 1 for the school year program.

If your most recent federal tax return does not reflect your current combined family income (larger or smaller), please provide an email or letter indicating the differences and 6 weeks of payroll summaries. If your family didn't submit a federal tax return due to being a visiting professional, please provide your appointment letter that includes your salary.

The income based tuition fee schedule is available to ND and SMC staff, students, administration and faculty. *It is not available to ND and SMC Alumni(e) and/or Holy Cross Order employees.* Those who elect not to provide income information/most recent tax return will be assessed the full tuition rate.

If your child is enrolled for both the summer and school year programs, only one submission of your Federal Income Tax Return with this form is required on or before May 1. Income based tuition eligibility is granted from the first day of the child’s enrollment in the summer program or the school year program, whichever occurs first, through the end of the school year. Verification of combined family gross income is required on an annual basis. If you have any questions, please contact Terri Kosik, Executive Director, at tkosik@saintmarys.edu or 631-3344.
