School Messenger Emergency Contact Information

This school year ECDC has signed on with SchoolMessenger, a California-based company that provides notification services for emergency broadcasts from schools. The system is programmed to call the primary phone number of parents as well as send emails and texts to notify parents of an emergency closing due to a facility emergency (e.g., broken boiler in the winter resulting in no heat in the building) or a weather emergency (e.g., snow storm that inhibits teachers/staff from driving to ECDC).

To make sure our information is accurate and that we have the best email addresses and phone numbers for your family, we are asking that you fill out the attached form. This will ensure that you receive notifications of any emergency closings as quickly as possible. On the form below, please include any phone numbers you would like us to contact in the event of an emergency closing, as well as email addresses. *Please note that telephone numbers with extensions cannot be read by the School Messenger system.*

If you are interested in receiving the text notifications, you will also need to "opt in" with SchoolMessenger. Once we have updated SchoolMessenger, you should receive a text from 68453 asking you to text yes to receive text messages from ECDC. This step is required to receive emergency notifications via text message and is only required once. If you have "opted in" previously, this step will not be necessary. If you do not receive an "opt in" text, you do not have to wait for it to arrive before opting in, simply send yes to 68453 and you will receive a text back letting you know you have opted in for text messages.

Please print an email address and at least one phone number for each parent on the form below. If you have any questions about this form, please contact Nora Tudor at ncawley@saintmarys.edu or (574)631-3344.
